

THE COLONISTS™

Their World

Behind the gates, paradise has a price.

LOGLINE

In 1968 Malibu Colony, **HOLLYWOOD'S ELITE** retreat from the chaos of a changing America—but inside the gates, scandal, betrayal, and power games run rampant.

At the center, a celebrity psychiatrist juggles explosive secrets, until one from his own past threatens to shatter everything.

SERIES OVERVIEW

Welcome to **Malibu, 1968** – where sunsets are golden, the parties are legendary, and the secrets are buried just beneath the sand. Yet – the country is burning, the counterculture is rising, and the Hollywood dream machine is starting to crack.

Inside the gates of the **EXCLUSIVE** Malibu Colony, appearances still matter and no one guards theirs more fiercely than **PRESTON GRANGER**.

Ultimately – survival depends on the story you tell... and the secrets you keep. This is a world of **power, prestige, and performance**.

The five years between **1968 and 1973** saw America turned inside out. *The Colonists* drops us inside this chaotic moment - not on the front lines, but behind the gates, where the rich and powerful cling to control as their carefully constructed lives begin to unravel.

It was a time of **reinvention, rebellion, and reckoning**- where paradise came at a price, and power was up for grabs.

A NATION ON THE BRINK

America was unraveling and reinventing itself.

And Hollywood? It was in chaos.

Sex, secrets, and social revolution

The perfect storm for drama.

The 1970's 😊

TO NE & ST YLE

GLAMOUR & SCANDAL: Opulence hiding desperation.

POWER & SECRETS: Leverage is the ultimate currency.

HISTORICAL HUNT: The late '60s as a cultural powder keg.

MALIBU COLONY

*America's Gilded Cage -
Thirty beach houses.
All behind a gate.
All pretending they're not
watching each other burn.*

Movie stars hiding addictions,
affairs, and identities. Studio
heads losing control of the
industry they built. Agents
rewriting power, one stolen
client at a time. Shrinks,
secrets, sedatives...

Fame & Façade.

Glamour & Rot.

Therapy & Betrayal.

Control & Collapse.

SEASON ARCS

Secrets unravel the therapist. His son brings Vietnam home. **Hollywood's icons crumble.** **Scandal sells** faster than truth. Malibu turns battleground.

WHY NOW?

The turbulence, celebrity culture, and shifting power dynamics of 1968-73 mirror **TODAY'S WORLD** - making *The Colonists* as **TIMELY** as it is escapist. With lush period detail, unforgettable characters, and juicy, intersecting plot lines, the series offers addictive drama with **AWARDS** potential and franchise longevity.
